MEMORANDUM FOR Public Affairs Officer, JTF Support Hope (Kelley).

SUBJECT: AFSTRS Deployment in Support of Operation Support Hope

1. Attached memorandum from Commander, AFN-E, outlines details of proposed deployment of two Armed Forces Satellite Transmitted Radio Service (AFSTRS) radio kits and a two-man installation and siren survey team.
2. This small, portable system will allow deployed forces in selected areas to receive 24-hour a day news, sports and information.
3. The GINC has placed a high priority on keeping our deployed forces informed with Command Information. Request your assistance in expediting the deployment.
4. The Director of the Joint Information Bureau told me he envisioned one AFSTRS in Entebbe and one in Kigali
