MEMORANDUM FOR CAPT PETERSON, HQ EUCOM, UNIT 30400, BOX 1000,
APO AE 09128

SUBJECT: AFRTS Deployment to Operation Support Hope

1. Request your assistance in expediting deployment of two Armed Forces Satellite Transmitted Radio Service (AFSTRS) radio kits and a two-man installation/site survey team in support of Operation Support Hope. Team consists of Captain Kenneth W. McDorman, 103-62-8983 and SFC James P. Seedorf, 528-06-0009.
2. Proposed installation sites are Entebbe, Uganda and Kigali, Rwanda for AFSTRS. Approval for frequencies and television channel has been approved by 5th Signal Corps (Channel 13, 200 watts, FM 98.5/103.5, 1000 watts for Entebbe and Kigali).
3. General description and weights are discussed in enclosed AFRTS SUPPORT PACKAGE.
