RELEASED IN FULL

From: IO/PHO - Robert Loftis *RL*

Subject: April 11 Version of the Draft Peacekeeping PDD

The NSC has sent over an advance copy of the final version of the peacekeeping PDD. They plan to forward it formally under cover of a letter from Mr. Lake to Secretary Christopher within the next day or so.

This latest version contains additions and changes stemming from our consultations with Congress. These changes are in bold type, and I have marked them with vertical bars as well.

Please provide any comments and reactions to me by first thing in the morning April 14. **ANY PERSONS ATTEMPTING TO REOPEN OLD MATERIAL WILL BE SHOT ON SIGHT.** I will need your comments for a likely interagency meeting on Wednesday.

Bruce Rashkow: please note the new material on protection of peacekeepers on page 6.

John Fox: please note the new material on the Inspector General and cost containment on pages 2, 3, 5, 6, 7, and 9.
